

DECORATING NOTICE

July 14, 2023

Dear fellow residents of Summer Gardens

As you will be aware, things are well underway with painting in our residential hallways. You are kindly requested to remove any personal belongings from the hallways/walls such as personal furniture and artwork (including hooks). Small tables and mirrors belonging to Summer Gardens will be moved by painters.

We cannot be responsible for any damage to your personal items and having less in the halls will enable our painters to be more efficient.

Should you have questions or concerns please email us at sgboard@bellaliant.net

Thank you

Your Decorating Committee
