Summer Gardens Annual General Meeting

**Tuesday, March 23, 2021 at 7:00 pm**

**Virtual meeting - by ZOOM**

Usually our Annual General Meeting is held in November but last year, because of the COVID-19 State of Emergency in Nova Scotia, organizations were told that they could either defer their AGM until after the State of Emergency ended, or they could hold meetings by other means, like ZOOM. We decided to defer. However it seems clear that the State of Emergency will not be ending for many more months, and we have decided to hold our AGM now, through a “virtual meeting” on ZOOM.

We will send out a meeting package with instructions on how to register for the meeting and how to join on ZOOM.
