## **Pool and Exercise Room will Open Saturday**

Nova Scotia Public Health has advised us that pools and gyms in condominiums may reopen with safeguards.

Accordingly, the Summer Gardens pool and exercise room will reopen on Saturday, May 22, with the following rules:

- The facilities are to be used only by residents of Summer Gardens – no visitors are permitted.
- The facilities are not to be used by anyone who is self-isolating or in quarantine.
- Only one person, or members of a single household, may use the facilities at a time.
- Those wishing to use the pool or exercise room must reserve their time on the sign-up sheet outside the door to the recreation area.
- Masks are mandatory except when swimming or exercising.
- The locker rooms, showers, hot tub and sauna are not to be used.
